ADDENDUM 1

June 28, 2024

---

BID NUMBER FB #23/24-010  
Student Charter Bus Transportation Services

---

THIS AMENDMENT IS ISSUED AS ADDITIONAL INFORMATION AND/OR AS A CHANGE IN SPECIFICATIONS OR INSTRUCTIONS TO ALL PROSPECTIVE BIDDERS INTERESTED IN THE ABOVE-MENTIONED REQUEST FOR PROPOSAL.

---

This addendum contains one (1) item:

ITEM 1: (located in this document): Responses to requested information.

Question 1: Will the district delete section 27 on page 17 which states a Contractor can be found in breach of contract if it refuses more than 5% of trip requests? We expect to have to refuse more than 5% of trips requests and this section will prevent us from bidding.

Response 1: We are aware of and understand that the Contractor will not be able to commit to all requests and for the number they are likely to be asked to service, 5% would end up meaning that a single refusal could trigger this clause. The clause says "can" not "will" find the vendor in breach, but we certainly would not hold them in breach unless we see a pattern or an almost complete track record of refusals.

Question 2: Page 27, to protect our driver's personal information, we would like to ask if the driver license number is necessary for the bid? If necessary, can it be supplied after contract award and kept as confidential information by the district?

Response 2: It is acceptable to provide the driver's personal information after bid award.
